**Humanities**

Supporting multilingualism at home - third parent event

# Helping your children develop multiple languages

In this event, we share the current research-based knowledge on family multilingualism and give examples of studies in a relaxed, family-friendly workshop.

Children of all ages welcome!

## PROGRAMME

**10:00** Helping your children develop multiple languages

Maria Obojska & Claudine Kirsch

**10:30** Informal networking with drinks and food

**11:00** Drop-in sessions

Digital media, families and language learning – stories from the field

Maria Obojska & Potheini Vaiouli

Supporting language development through dialogic reading

Claudine Kirsch

**11:30** Informal networking with drinks and food
