BCE KATALOG

ACADEMIC YEAR 2024/2025

Summer Semester Edition

EN

The *Global Course Catalogue* provides a complete overview of all the courses on offer in the EU modules of the BCE. Most courses are available from your first semester onwards. However, there are exceptions. Check the last column in the overview (Semester) to find out whether a course is available in Semester 2, 4, or 6 (or all of them). EU Modules are available in the Winter and Summer Semesters and open from Semester 1 or 3 through to Semester 6. This catalogue includes recurring Winter Semester courses, but please note that the offer will be updated in September 2025.

Course Descriptions

Detailed course descriptions can be found in the University Catalogue on the **Other Courses** section in the [Student Portal \(Guichet étudiant\)](#).

ECTS Awarded for Cultures Européennes Courses

All standard EU module courses are awarded 4 ECTS (except for courses offered by other study programmes BAP, BSSE, and BSCE (EU8) and courses offered by the Language Centre (EU 9)). There are two types of Transversal Courses that can be used to validate credits in EU Modules from your 3rd semester onwards: (1) *Transversal Seminars*, worth 8 ECTS, and *Transversal Workshops*, worth 4 ECTS.

Second Specialisation

You have the possibility of developing a Second Specialisation in one of the 5 other BCE specialisation tracks. If you are interested in this option, we advise you to choose courses from this field on offer in Modules EU1-4 in your first year. You will be able to apply to do a Second Specialisation at the end of your first year on [BCE-100](#) on Moodle. Admission to a second specialisation is not automatic, however: it depends on the number of places available and on your performance in your chosen field in your first two semesters. Please consult your Specialisation Module Structure for further information.

This document may be updated. You will be notified via Moodle, should this be the case.

Das *Fachübergreifende Vorlesungsverzeichnis des BCE* führt das gesamte Studienangebot der EU Module des BCE auf. Bitte beachten Sie, dass nicht alle Kurse bereits ab dem 1. Semester belegt werden können. Überprüfen Sie die letzte Spalte der Übersicht (Semester), um nachzusehen, ob ein Kurs in Semester 2, 4 oder 6 (oder allen drei Semestern) angeboten wird. EU Module können im Winter- und Sommer-Semester belegt werden und bleiben vom 1. oder 3. Semester bis zum 6. Semester offen. Dieses Vorlesungsverzeichnis führt ebenfalls Kurse auf, die regelmäßig im Wintersemester angeboten werden. Bitte beachten Sie jedoch, dass das Angebot für das Wintersemester im September 2025 noch einmal aktualisiert wird.

Kursbeschreibungen

Detaillierte Kursbeschreibungen können im Bereich „Andere Kurse“ im [Studierendenportal \(Guichet étudiant\)](#) eingesehen werden.

ECTS für Kurse der Cultures Européennes

Für alle Kurse der *Cultures Européennes* – mit der Ausnahme von Kursen anderer Studienprogramme (EU 8) und den Kursen des Sprachenzentrums (EU 9), werden 4 ECTS vergeben. Es werden zwei verschiedene Arten von modulübergreifenden Kursen angeboten, die Sie ab dem dritten Semester belegen können, um EU Module zu validieren: für (1) *Transversal Seminars* werden 8 ECTS und für *Transversal Workshops* 4 ECTS vergeben.

Zweite Spezialisierung (Nebenfach)

Sie haben die Möglichkeit, eine zweite Spezialisierung (Nebenfach) in einem der 5 anderen BCE-Kernfächer aufzubauen. Falls Sie sich für diese Möglichkeit interessieren, raten wir Ihnen, in Ihrem ersten Studienjahr Kurse dieses Kernfachs in den Modulen EU1-4 zu belegen. Am Ende Ihres ersten Studienjahres können Sie sich für eine zweite Spezialisierung bewerben (Moodle: [BCE-100](#)). Die Zulassung zur zweiten Spezialisierung erfolgt nicht automatisch: Sie wird von der Verfügbarkeit der Studienplätze und Ihrer Leistung in den ersten beiden Semestern im ausgewählten Kernfach bestimmt.

Dieses Dokument kann aktualisiert werden. Sollte dies der Fall sein, werden Sie über Moodle benachrichtigt.

Le *catalogue global des cours* propose un aperçu de l'ensemble de l'offre des modules EU du BCE. La plupart des cours sont disponibles dès le premier semestre, mais ce n'est pas toujours le cas. Consultez la dernière colonne de l'aperçu (semestre) pour savoir si un cours est disponible au semestre 2, 4 ou 6 (ou à tous les semestres). Les modules des *Cultures Européennes* sont disponibles aussi bien au semestre d'hiver qu'au semestre d'été, et sont ouverts à partir du semestre 1 ou 3 jusqu'au semestre 6 inclus. Ce catalogue comprend également les cours récurrents du semestre d'hiver, mais veuillez noter que l'offre sera mise à jour en septembre 2025.

Descriptifs de cours

Pour obtenir des descriptifs détaillés des cours vous pouvez consulter le catalogue universitaire dans la section « Autres cours » du [Portail des étudiants \(Guichet étudiant\)](#).

ECTS attribués pour les cours des Cultures Européennes

4 ECTS sont attribués pour les cours des modules *Cultures Européennes* à l'exception des cours offerts par d'autres programmes d'études (EU8) et des cours offerts par le Centre de Langues (EU 9). Nous proposons deux types de cours transversaux qui peuvent être utilisés pour valider des crédits dans les modules des *Cultures Européennes* à partir du troisième semestre : (1) 8 ECTS sont attribués aux *Transversal Seminars* et 4 aux *Transversal Workshops*.

Deuxième spécialisation

Vous avez la possibilité de développer une deuxième spécialisation parmi les 5 autres spécialisations du BCE. Si cette option vous intéresse, nous vous conseillons de choisir les cours de cette discipline offerts dans les modules EU1-4 au cours de votre première année d'études. Vous pourrez faire une demande d'admission pour une deuxième spécialisation à la fin de votre première année (Moodle: [BCE-100](#)). Néanmoins, cette admission n'est pas automatique : elle dépend des places disponibles ainsi que de vos résultats dans la discipline de votre choix au cours des deux premiers semestres.

Ce document peut être mis à jour. Si tel est le cas, vous en serez informé via Moodle.

De globale BCE Katalog presentéiert déi gesamt Offer vun den EU Modüller am BCE. Consideréiert w.e.g., dass net all Coursen schon am 1. Semester beluecht kënne ginn. An der leschter Kolonne vun dëser Iwwersiicht, gesitt Dir, op e Cours am Semester 2, 4 oder 6 zur Verfügung steet. EU Modüller kënne souwuel am Wanter- wéi och am Summersemester beluecht ginn a si bleiwe vum 1., bezéiungsweis vum 3. Semester, bis zum 6. Semester op. An dësem Katalog fannt Dir och Coursen, déi reegelméisseg am Wantersemester um Programm sinn. Denkt awer w.e.g. drun, dass dës Offer am September 2025 aktualiséiert gëtt.

Beschreibungen vun de Coursen

Detailléiert Beschreibungen vun de Coursen fannt Dir och am [Studentenportal \(Guichet étudiant\)](#) am Katalog vun der Uni am Beräich "Andere Kurse".

ECTS fir Coursen aus den Cultures Européennes

All d'Coursen aus de Modüllen *Cultures Européennes* hu 4 ECTS mat der Ausnahm vu Coursen déi vun anere Studiprogrammer ugebueden ginn (EU8) an Coursen déi vum Language Center (EU9) ugebuede ginn: Mir proposéieren zwou Zorten Modüll-iwwergräifend Coursen, déi Dir ab dem drëtten Semester wéi kënnt, fir Är EU Modüllen ze validéieren: fir (1) *Transversal Seminars* kritt Dir 8 ECTS a fir *Transversal Workshops* 4 ECTS.

Zweet Spezialiséierung (Niewefach)

Dir hutt d'Méiglechkeet, eng zweet Spezialiséierung (Niewefach) an engem vun de 5 aneren BCE-Fachberäicher ze maachen. Falls Dir Iech fir dës Offer interesséiert, ass et recommandéiert déi néideg Coursen aus dësem Fachberäich an den Modüllen EU1-4 an Ärem éischten Joer ze beleeën. Um Enn vum 2. Semester, kënnt Dir eng Admissioun fir een zweeten Schwéierpunkt oder e Niewefach op Moodle ([BCE-100](#)) ufroen. Dës Admissioun ass net automatesch: si hänkt dovun of, wéivill Plazen disponibel sinn. Är Resultater an dësem Fachberäich am éischten Joer ginn och consideréiert.

Dëst Dokument kann aktualiséiert ginn. Wann dat de Fall wier, kritt Dir iwwer Moodle Bescheid gesot.

CULTURES EUROPÉENNES – EU Modules

Module EU1

Lecture Series

Cycles de conférences / Vorlesungsreihen / Virlesungsreien

Module Description

This module attempts to both delineate and disentangle notions of Europe and European culture(s). It engages both students and staff in an interdisciplinary reflection about Europe, its definitions, its histories and challenges, its limitations, and the opportunities it presents. What are the limits of Europe – geographically, culturally, historically, ideologically ...? How have European expansionist movements affected cultures and societies both within and beyond European borders on a local, national, and global scale? Is the idea of Europe tied to recognisably European values? Are these shared by cultures and nations located within its geopolitical boundaries?

The aim of this module is not to establish a pro-European framework for this programme. On the contrary, we wish to engage our students in active, thoughtful, and, at times, controversial reflections on what it means or could mean to be European.

Learning Outcomes

Once you have completed this module, you should be able to:

- DEMONSTRATE a critical understanding of the most common narratives about Europe and European cultures.
- EVALUATE the cultural, historical, ideological, and geopolitical dimensions of complex constructs, such as Europe or European cultures and identities.

Structural Information

Required to close and validate this module: 12 ECTS. Open: Semester 1-6.

This module is compulsory for all BCE Students.

Transversal Courses: you can choose one option from "Transversal Courses" (generally 4 or 8 ECTS).

The module will close once you have obtained a minimum of 12 ECTS, but you can choose to validate more ECTS in this module.

Module EU2

The Origins of Modern Europe

Les origines de l'Europe modern / Die Ursprünge des heutigen Europas / D'Originne vum modernen Europa

Module Description

This module investigates the origins of modern Europe from a variety of angles. How did European cultures develop? How did people see the world, and themselves in it, in medieval Europe or in the era of Greek and Roman Antiquity? Did Europe as an idea or geographical denomination exist or matter? Can some of this be traced forward to more recent, contemporary perceptions of Europe? Explore these and other questions by learning Latin, or by finding out about Ancient Philosophy, or Ancient and Medieval society and civilisation.

Learning Outcomes

Once you have completed this module, you should be able to:

- DEMONSTRATE an understanding of the origins of modern Europe from a historical, philosophical, and linguistic perspective.
- EVALUATE the social, cultural, and philosophical impact of ancient and medieval thought on constructions of modern Europe.

Structural Information

Required to close and validate this module: 12 ECTS. Open: Semester 1-6.

Transversal Courses: you can choose one option from "Transversal Courses" (generally 4 or 8 ECTS).

BCE - Etudes françaises, Histoire, Philosophie: Latin is required (8 ECTS). The module will close once you have obtained a minimum of 12 ECTS, but you can choose to validate more ECTS in this module.

Learning Outcomes

Once you have completed this module, you should be able to:

- UNDERSTAND how language-specific features have shaped and continue to shape European cultures and identities.
- ANALYSE and EXPLAIN the connections between texts, their contexts, and literary traditions.

Structural Information

Module EU9

Academic Writing and Presentation Skills

Rédaction et présentation académiques / Wissenschaftliches Schreiben und Präsentieren / Wëssenschaftlecht Schreiwen a Präsentatiounstechniken

Module Description

As a result of growing internationalisation, the ability to function well in a multilingual environment has become an essential skill. In the BCE, we recognise this feature of contemporary personal, academic, and professional environments, and the Common Curriculum is designed to promote the acquisition of good language and intercultural communication skills. Switching between languages is not always easy, especially at an academic level, and to feel at ease in our programme and choose some of the more innovative courses, you will need to learn to work effectively in and in between different languages. The courses in this module are designed to help you with this feature of the programme.

Learning Outcomes

Once you have completed this module, you should be able to:

- WRITE well-structured and coherent papers and reports.
- UNDERSTAND and FOLLOW lectures, presentations, and academic discussions.
- PRESENT your ideas in well-structured presentations and academic discussions.

Structural Information

Required to close and validate this module: 12 ECTS Open: Semester 1-6.

Transversal Courses: you can choose one option from "Transversal Courses" (generally 4 or 8 ECTS). The module will close once you have obtained a minimum of 12 ECTS, but you can choose to validate more ECTS in this module.

TRANSVERSAL COURSES

Transversal Seminars, Transversal Workshops

Module Description

Transversal Seminars typically explore social and cultural issues and practices from a variety of perspectives and are designed to introduce students to interdisciplinary research methods and approaches. They are actively bilingual and will, ideally, encourage code-switching. These interdisciplinary seminars require a high level of commitment from participating students, but also invite them to participate in ongoing contentious debates.

Transversal Workshops (practical workshops) propose practical introductions to the types of professions graduates of the BCE might wish to embark on. Through encounters with professionals and field experience, these practical workshops are designed to facilitate the transition between student and professional life.

Form

- **Transversal Seminars** are typically co-organised and co-taught by 2-3 members of university staff from different disciplines and typically meet once a week for 90 minutes. However, they are awarded 8 ECTS and can be used to validate two courses in one EU Module (EU MODULES 1-9) in Semesters 3-6. Each seminar has between 15 and 25 places available.
- **Transversal Workshops** are awarded 4 ECTS and can be used to validate one course in EU MODULES 1-9 in Semesters 3-6. Because they involve fieldwork and meetings with professionals, they may involve non-standard meeting times.

Enrolment

Transversal Seminars and **Transversal Workshops** are available for validation in EU Modules 1-9. To enrol:

- Choose the the Transversal Seminar or Transversal Workshop you wish to enrol in.
- Choose the module in which you want the course to appear. The module information appears above the title of the course in the course enrolment section of the student portal.

Structural Information

Required: 0 ECTS. Open: Semester 3-6.

Transversal Courses: you can choose Transversal Courses to validate the equivalent of one or two standard courses in EU Modules 1-9.
