

Çağıl Koçyigit

Address: B16C, Campus Kirchberg, University of Luxembourg
6, rue Richard Coudenhove-Kalergi, L-1359 Luxembourg
Tel: (+352) 46 66 44 9871
Email: cagil.kocyigit@uni.lu, cagil.kocyigit.yalcin@gmail.com
Webpage: cagilkocyigit.github.io

KEY AREAS OF INTEREST

Optimization under uncertainty: (distributionally) robust optimization, stochastic and dynamic programming
Policy and mechanism design: resource allocation problems, auctions, pricing, societal problems, fairness, equity

ACADEMIC APPOINTMENT

University of Luxembourg (Luxembourg) Oct. 2020 - present
Assistant Professor
Luxembourg Centre for Logistics and Supply Chain Management
Department of Economics and Management

EDUCATION

École Polytechnique Fédérale de Lausanne (EPFL) (Switzerland) Oct. 2015 - Sept. 2020
Ph.D., Risk Analytics and Optimization, Management of Technology
Advisor: Daniel Kuhn

Bilkent University (Turkey) Sept. 2013 - Aug. 2015
M.Sc., Industrial Engineering (Full Graduate Scholarship)
Advisor: Mustafa Ç. Pınar

Bilkent University (Turkey) Sept. 2008 - June 2013
B.Sc., Industrial Engineering (Merit Scholarship)

PUBLICATIONS

Simple and Effective: A Deterministic Auction with Support Information

with Rishikesh Parma and Benny Mantic
Submitted for review, September 2024

Learning Optimal and Fair Policies for Online Allocation of Scarce Societal Resources from Data Collected in Deployment

with Bill Tang, Eric Rice and Phebe Vayanos
Revise and resubmit at Management Science, March 2024
Featured in general audience talks: Ç. Koçyigit's MIT Scale Webinar (2024) and P. Vayanos' TED AI Talk (2023)
Highlighted as '**Committee's Choice**' presentation at the INFORMS Annual Meeting (B. Tang) (2021)

Distributionally Robust Allocation with Costly Verification

with Halil I. Bayrak, Daniel Kuhn and Mustafa Ç. Pınar
Minor revision submitted to Operations Research, November 2024

Distributionally Robust Linear Quadratic Control

with Bahar Taskesen, Dan A. Iancu and Daniel Kuhn
Advances in Neural Information Processing Systems (NeurIPS), Spotlight (2023)
Extended journal version in preparation for submission to Operations Research
INFORMS **George Nicholson Student Paper Competition Finalist** (B. Taskesen) (2023)

Regret Minimization and Separation in Multi-Bidder Multi-Item Auctions

with Daniel Kuhn and Napat Rujeerapaiboon
INFORMS Journal on Computing (2024)

Robust Multidimensional Pricing: Separation without Regret

with Daniel Kuhn and Napat Rujeerapaiboon
Mathematical Programming (2022)

Best Publication by Junior Researcher Award (2021), University of Luxembourg

Distributionally Robust Mechanism Design

with Garud Iyengar, Daniel Kuhn and Wolfram Wiesemann
Management Science (2020)

Robust Auction Design under Multiple Priors by Linear and Integer Programming

with Halil I. Bayrak and Mustafa Ç. Pınar
Annals of Operations Research (2018)

Flight-Scheduling Optimization and Automation for AnadoluJet

with Başak Kepir, Işıl Koyuncu, Melis B. Özer, Bahar Y. Kara and Melih A. Gürbüz
INFORMS Journal on Applied Analytics (formerly Interfaces) (2016)
INFORMS Undergraduate Operations Research Prize Winner (2013)

Ph.D. Thesis: **Distributional Robustness in Mechanism Design**

École Polytechnique Fédérale de Lausanne (EPFL) (2020)

Kilian Schindler Excellence Award (2020)

TEACHING

University of Luxembourg

2021 - present

- **Analytical Methods and Data Science** (co-taught with Nils Löndorf)
Core Course, Master in Logistics and Supply Chain Management
Offered Fall 2021–2023; now in Fall 2024
- **Optimal Decision Making**
Elective Course, Master in Logistics and Supply Chain Management
Offered Spring 2021–2024; next in Spring 2025
- **Linear Algebra**
Core Course, Bachelor in Economics
Offered Spring 2022–2023; next in Spring 2025 (one-year gap due to curriculum change)
- **Convex Optimization**
Elective Course, Ph.D. in Economics and Management
Offered Spring 2024

École Polytechnique Fédérale de Lausanne (EPFL)

2015 - 2020

- Optimal Decision Making (M.Sc. level) (Co-lecturer and Teaching Assistant)
- Convex Optimization (M.Sc. and Ph.D. level) (Teaching Assistant)
- Strategic Marketing and Technology Commercialization (M.Sc. level) (Teaching Assistant)
