Brainstorm Meetings

UPCOMING SCIENTIFIC EVENTS

You are invited!

Save the Date

Young Academics

Distinguished Thinkers

THE INSTITUTE FOR ADVANCED STUDIES (IAS)

has four main missions:

- To **leverage** bold and interdisciplinary research at the very forefront of science.
- To **represent** the University of Luxembourg's principles of excellence,interdisciplinarity and internationality.
- To **build** bridges between the University's community, international visitors and Luxembourg society.
- To **contribute** to the attraction and retention of international talent.
