IAS-Luxembourg AUDACITY Call 2025 – Launching 1 June 2025

The Institute for Advanced Studies (IAS) at the University of Luxembourg is pleased to announce the **2025 AUDACITY Call**, opening on **1 June 2025**, with a **submission deadline on 19 September 2025 at 2:00 PM CET**.

What is AUDACITY?

AUDACITY is a funding instrument designed to support bold, interdisciplinary research at the cutting edge of science. It aims to break down barriers between scientific disciplines and sectors, fostering collaboration across the University of Luxembourg (UL). While AUDACITY projects primarily explore fundamental scientific questions, they also address global challenges such as digitalization, climate change, health, economic growth, and social inclusion - complex issues that require interdisciplinary solutions.

Who can apply?

The AUDACITY Call is open to all disciplines and sectors within UL. While funding is exclusively available for UL researchers, the program actively encourages collaboration with Luxembourgish and international partners. Projects can span **2 to 4 years**, with funding awarded on a competitive basis.

What does AUDACITY fund?

- Doctoral candidates
- Postdoctoral researchers
- Technical staff employed on the project

Project proposals will be evaluated by the IAS Scientific Council, comprising both UL-internal and external experts.
