

**University of Luxembourg:  
Seventh Annual Summer School on Cultural Psychology 17-18.06.2025**

**The age of insecurity? Capturing the concept - challenges for  
socialization and parenting**

Co-organizers: **Isabelle Albert, Thomas Boll, Pina Marsico, Elke Murdock and Jaan Valsiner**

The summer school is dedicated to bringing advanced knowledge in contemporary cultural psychology to students and providing guidance for implementing that know-how into research projects.

The students will learn to critically review their respective research projects in light of cultural psychology frameworks. They will be encouraged to develop approaches to overcome limitations. Key learning objectives can be summarized as developing critical and constructive reflections on the role of culture, perceptions of and managing change – especially in the age of insecurity. Students will also have the chance to reflect critically on methodological approaches.

Students can present their research project in the form of a poster. Contributions from all disciplines and at every stage of development are welcome.

**When: 17-18 June 2025**

**Where: Campus Belval, University of Luxembourg,**

**Who:** Interested PhD students at the University of Luxembourg and international participants of all junior academic levels (MA/MS and upwards)

**Costs:** There is **no** participation fee.

**Registration:** University of Luxembourg students => inscribe directly in **Moodle**.

External students, please contact [elke.murdock@uni.lu](mailto:elke.murdock@uni.lu).

**ECTS points: 2**

Participants are asked to prepare Posters outlining their research projects (Research question, hypotheses, methodology, results/ expected findings, etc.). The posters will be presented and discussed (Limit: 12 Posters).

Please send your poster (**PDF**) to [elke.murdock@uni.lu](mailto:elke.murdock@uni.lu) by **02.06.2025**. We will organize the printing.
