

Sustainable Jewelry Startup Internship Opportunity

At Astartelux we are committed to revolutionizing the jewelry industry by creating sustainable and ethical pieces. We craft exquisite jewelry using recycled gold and silver, paired with responsibly sourced gemstones. Our mission encompasses minimizing environmental impact through sustainable practices, carbon-neutral shipping, and eco-friendly packaging. We merge ancient design charm with modern ethical luxury.

Responsibilities:

- Conduct research and analysis to bolster our business strategies.
- Assist the marketing team in developing and implementing campaigns.
- Support the product development and design team by providing feedback on new products/features.
- Contribute to the formulation of sales strategies and engage with clients.
- Execute administrative tasks to ensure seamless day-to-day operations.
- Collaborate with team members on diverse projects, offering fresh perspectives.
- Actively participate in team meetings and brainstorming sessions.

Profile:

- Eagerness to learn and undertake a variety of tasks.
- Exceptional communication and interpersonal skills.
- Ability to work autonomously and within a team.
- Creative thinking and adept problem-solving skills.
