

WiFi service for guests

The UNI offers a free WiFi access network named “**Cité des Sciences**”. This network offers Internet access and is **accessible during 5 days**, after the creation of your guest account, for anyone visiting the UNI on all campuses.

How to connect to the free public WiFi “Cité des Sciences”

1. Connect to the WiFi network named “Cité des Sciences” from any device, a popup will appear on your device
2. Click on ‘Register for guest access’ (or put your specific credentials if you already registered)

The screenshot shows a web browser window titled "Join 'CitedesSciences'" with a "Self Registration Guest Portal" header. The page content includes a "Welcome" message, a "Sign on for guest access." instruction, and a form with "Username:" and "Password:" fields. A "Reset Password" link is next to the password field. Below the form is a blue "Sign On" button. A red circle with the number "2" highlights a link that says "Or register for guest access". The browser's address bar shows "guest-register.uni.lu" and a "Cancel" button is visible in the bottom right corner.

3. Fill the form

Please accept the policy: You are responsible for maintaining the confidentiality of the password and all activities that occur under your username and password. Université of Luxembourg offers the Service for activities such as the active use of e-mail, instant messaging, browsing the World Wide Web and accessing corporate intranets. High volume data transfers, especially sustained high volume data transfers, are not permitted. Hosting a web server or any other server by use of our Service is prohibited. Trying to access someone else's account, sending unsolicited bulk e-mail, collection of other people's personal data without their knowledge and interference with other network users are all prohibited. Université of Luxembourg reserves the right to suspend the Service if your use of the Service is unreasonably excessive or you are using the Service for criminal or illegal activities. You do not have the right to resell this Service to a third party. Université of Luxembourg reserves the right to revise, amend or modify these Terms & Conditions, our other policies and agreements, and aspects of the Service itself. Your information and usage of the Service will be logged and store for legal purpose, in accordance with the requirements of the Law. Any abuse will be prosecuted.

For offering you access to the guest wireless network, your personal data is being processed by the University of Luxembourg acting as controller. The personal data collected includes your first name, last name, email address and phone number. The legal basis of the processing is legitimate interest in accordance with Article 6 1. f) GDPR. The University and its visitors have a legitimate interest in offering and using a secured guest wifi access. You are entitled to access, to rectify, to object to the processing of your personal data, to ask to restrict certain aspects of the processing, to retrieve your data to forward it to a third party, and to delete your personal data, if the conditions of the GDPR are met. You may exercise these rights by contacting us.
