

## ELIGIBLE PARTICIPANTS

---

Transferable Skills (TS) courses are accessible and free of charge for all doctoral candidates registered at the University of Luxembourg.

## DOs AND DON'Ts

---

- Strict TS regulation, please check on [Moodle](#).
- Only register if you have time for the whole TS Course (often several dates). If not, please leave the slot for another participant.
- Be aware that you are fully registered only once you receive a confirmation email after your enrollment request.
- Cancellation policy: If after registration you can not make it, please contact us at the latest 1 week before the course.

## REGISTRATION

---

Please visit the [website](#) of the University of Luxembourg or scan the QR code to:

- consult the TS catalogue
- find out about the registration process on Moodle
